The Atlantean Angels on 10-20-2005 gave this beautiful energy to me.

I thank them very much for it.

In Atlantis there were many Light temples. Every one of them held a certain energy level in order to help the people take the next step for themselves. Ones own responsibility was suppose to be taken step by step.

The Atlantic Light Temple Energy helps you (with green healing energy) to develop yourself further and to gently remove “old” blockages.

The system revives the ancient Atlantean energies that came from the Atlantic ocean.

Many people suffer nowadays most of all from stress.

Whether in school, occupation or at home, stress is lurking everywhere.

When you're feeling stressed and down, many times you can't see the forest for the trees.

Then you can fill yourself with the Atlantic energy.

*Auch bei Schmerzen hilft sie, um sich wieder auf sich besinnen zu können.
Bearbeite aufgelöste Blockaden mit ihr oder mummele dich einfach in sie ein.
Es gibt die vielfältigsten Möglichkeiten.*
